Corner 8th Street

Brooklyn, N. Y.

Steel

Ceilings

THIS booklet illustrates a limited variety of our more popular patterns, suitable for all purposes.

A large catalogue showing a complete line of ceiling and sidewall patterns will be sent upon request.

All ceiling and wall plates are clearly and accurately stamped. The nailing beads are perfectly constructed to insure neat jobs and invisible joints with the least labor.

Steel

Ceilings

PLATE NO. 102.
